

AmeriCorps Job Openings!

Thank you for your interest in applying for AmeriCorps! Online applications are required. Please follow the instructions below when applying online.

Step 1: Visit the following link: <https://my.americorps.gov/mp/login.do> and find and click on the red button that reads, "Register to create a new Member/Alum account."

Step 2: Follow the instructions to create a profile. Under step 3 of 4, you are required to enter a zip extension (the last 4 digits after your zip code). If you do not know your zip extension, enter "0000" to bypass that entry. Also note that the system does not prefer periods in your address. So, for example, if your address is 1234 N Yosemite Ave, leave the periods off after "N" and "Ave."

Step 3: Once you complete your profile, you will receive an email at the address you provided. Complete the registration by clicking on the link to choose a user name and password. If you did not receive an email, please make sure to check your SPAM folders.

Step 4: After setting up your login information, you will be directed to your profile page. Click on the "Applications" button on the left side of the page and the "Create application" and enter in all of the information it asks for.

Step 5: You must enter 2 references into the application. They will receive an email with instructions on how to complete the reference form. After sending your two reference forms, you will be at step 8 of 8. You will then need to select the two boxes on the right side in order to add your two references and then click "Finish Application."

Step 6: Your last step is to click "Search Listings" on the right hand side of the page and under the drop down menu, select the following and then click "Search":

Program Type: AmeriCorps State/National

State: California

Program Name: First 5 Madera County

Step 7: Select the listing titled, "First 5 Madera County."

Step 8: Click on the red "Apply Now!" button.

Step 9: Following the Certification instructions and click "Submit" and your application process will be complete.

We will be contacting potential candidates and inviting them to an virtual orientation.
