Classes & Ages	Description of Classes	Communication:	Gross Motor:	Fine Motor:	Problem Solving:	Personal Social Development:
Feel the Beat (0-5)	This class helps children improve vocabulary and language while mastering movement skills and developing coordination, balance, strength, and endurance. Children will learn to move, and move to learn.	x	x		x	x
Play & Grow (0-2)	This class provides learning through play, where children can explore in a friendly environment designed especially for hands, small bodies and developing minds.	x	x			x
Little Climbers (8mths-2)	Children will be given the opportunity to move freely, and do climbing exercises. These movements will help improve gross-motor development. Children will explore an environment of movement and coordination.	x	x		x	x
Reading Rainbow (2-5)	Children will hear stories, songs, rhymes and produce art to develop reading skills. Show your child how much fun it is to listen to stories and make connections through action, rhymes, and activities.			x		x
Art Explosion (2-5)	Children will create artwork using a variety of materials. This helps children develop hand-eye coordination, boost creativity, enhance concentration, and provides an opportunity for self-expression.	x		x	x	x
ABC Kids (3-5)	ABC Kids provides a foundation for early reading by teaching your child the alphabet through songs, games, crafts and writing. Exposing your child to letters and sounds at an early age helps them learn to read later on.	x		x		x
Young Explorers (3-5)	Come learn with your child about wildlife and the environment. Children will engage in hands-on science projects, lego building, and science-themed crafts and activities! Based on the STEM concept of the California Core Curriculum to get them ready for Kindergarten!	x	x		x	x
PKU University 4 & 5 years	This class is designed to provide developmental experiences while tracking your child's progress toward social-emotional development, and age-appropriate competence in literacy and math.	x	x	x	x	x

Developmental Domains
Communication — Focus on language skills; both what the child understands and what he/she can say.
Gross Motor — Focus on use and coordination of arm, body, and leg movements.
Fine Motor — Focus on hand, finger movement, and coordination.
Problem Solving — Focus on child's play with toys and problem-solving skills with other children.
Personal Social Development — Focus on a child's self-help skills and interactions with others.
