Madera, CA 93638  
Phone: (559) 661-5155

Classes for children from  
0-5 years of age.

Classes and Ages	Class Descriptions	Communication	Gross Motor Skills	Fine Motor Skills	Problem Solving	Personal-Social Development
Feel The Beat (0-5)	This class helps children improve vocabulary and language while mastering movement skills and developing coordination, balance, strength, and endurance. Children will learn to move and they will move to learn.	X	X		X	X
Play & Grow (0-2)	This class provides learning through play, where children can explore in a friendly environment designed especially for hands, small bodies, and developing minds.	X	X			X
Reading Rainbow (2-5)	Children will listen to stories, songs, rhymes, and produce art to develop reading skills. Show your child how fun it is to listen to stories and make connections through actions, rhymes, and activities.			X		X
Art Explosion (2-5)	Children will create works of art using a variety of materials. This helps children develop hand-eye coordination, increase creativity, improve concentration, and give them the opportunity to express themselves.	X		X	X	X
ABC Kids (3-5)	ABC Kids provides a foundation for early reading by teaching your child the alphabet through songs, games, crafts, and writing. Exposing your child to letters and sounds at an early age helps them learn to read later.	X		X		X
Young Explorers (3-5)	Come learn with your child about wildlife and the environment. Kids will participate in hands-on science projects, Lego building, and science-themed crafts and activities! Based on the STEM concept of the California Core Curriculum to prepare them for Kindergarten!	X	X		X	X
PKU (4 and 5 years)	This class is designed to provide developmental experiences while tracking your child's progress toward social-emotional development and age-appropriate proficiency in literacy and mathematics.	X	X	X	X	X

Development Domains
<b>Communication:</b> Focuses on language skills, such as what children understand and speak.
<b>Gross Motor Skills:</b> Focuses on the coordination of the arms, body, and leg movement.
<b>Fine Motor Skills:</b> Focuses on the movement and coordination of the hands and fingers.
<b>Problem Solving:</b> Focuses on children playing with toys and their problem-solving abilities with other children.
<b>Personal-Social Development:</b> Focuses on each child's self-improvement skills and their interactions with others.

<b><u>Guidelines for Registration and Classes</u></b>
1. Advance registration is required for any class.
2. Priority will be given to the first to register.
3. Please arrive to class on time or call to cancel your participation at least 1 hour in advance. This gives families that are on the waitlist an opportunity to participate.
4. Registration for special events can take place any day of the month.
5. Children must be of appropriate age to participate in the activities.
6. All classes are free for children 0-5 years old and their families.
7. More than 2 excused absences and 2 unexcused absences in the month can eliminate your participation for the rest of the classes in which you have registered.
8. If you arrive more than 10 minutes late to our activities, you will not be able to attend the activity and it will be counted as an absence.
9. A maximum of 2 classes per week can be registered.
